A STAGE

A stage is brutal yet beautiful and suits every occasion from dinner parties to concerts and exhibitions. Let the imagination flow while taking advantage of this characteristic room featuring a large balcony, high ceiling and newly built functions.

A stage

A brutal venue of concrete brick and metal.

Set up pre-drinks on arrival at the balcony.

Different angles of daylight.

Build up your stage here - connected with a private room for artists/speakers, right behind.

Dinner parties for different occasions.

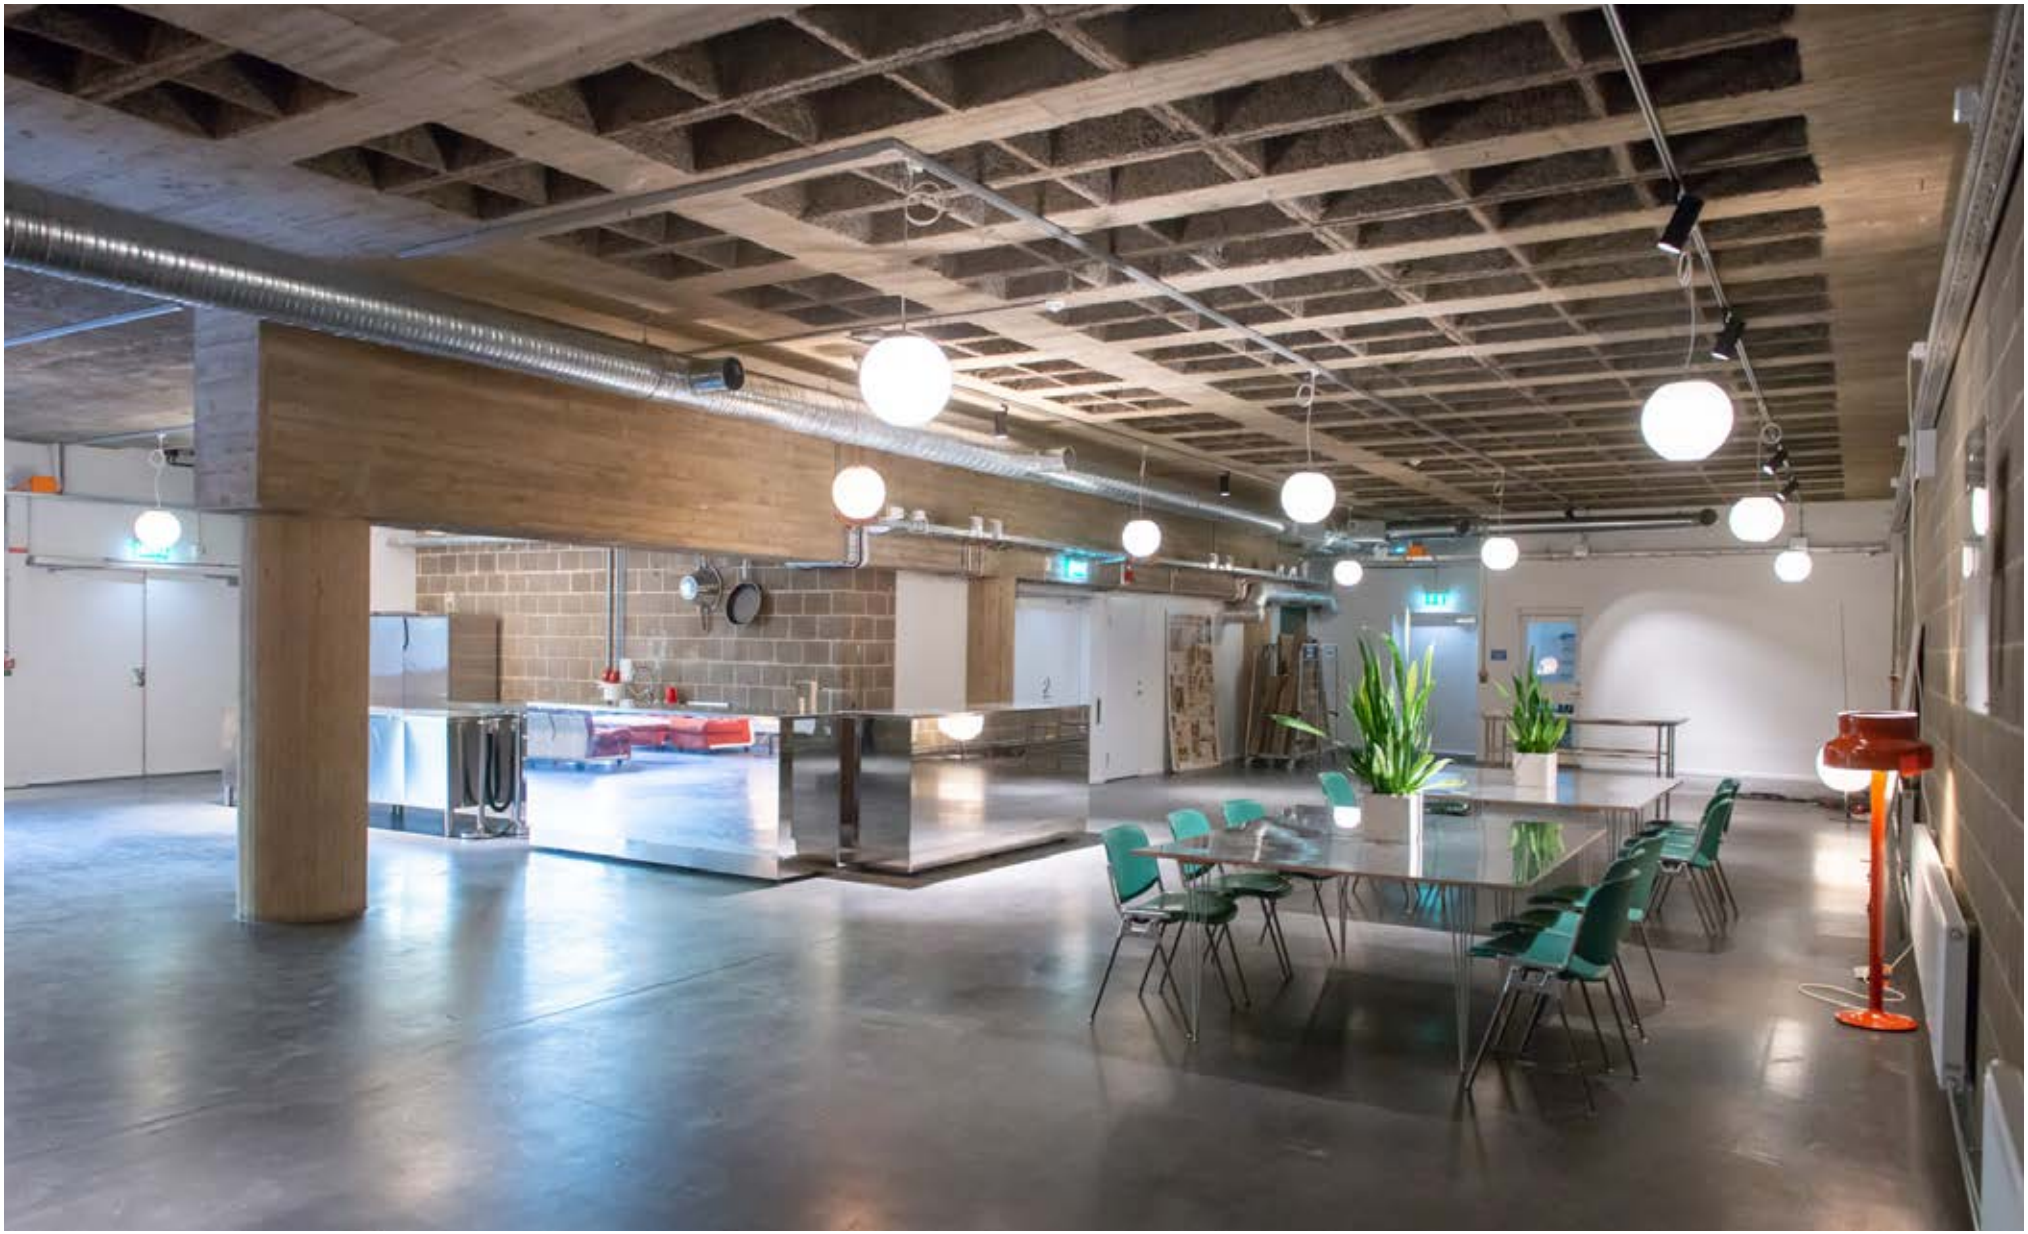
We'll help you arrange your workshop with everything from technical solutions to breakouts in between.

Dynamic space for concerts.

Build up a stage with theater seating and let the talks begin.

A BACKSTAGE

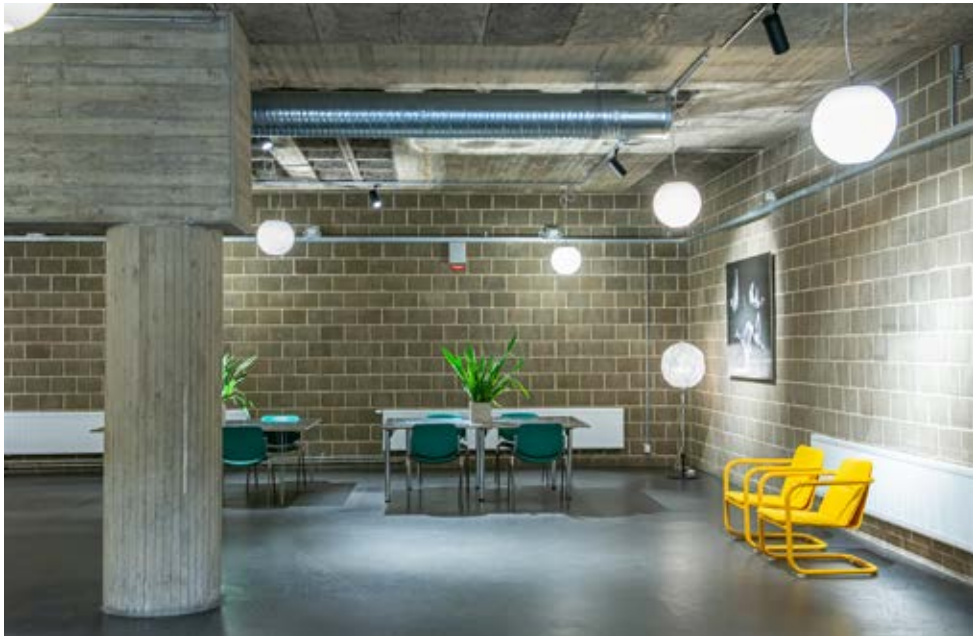
A backstage is a L-shaped room with a simplistic ambience, well equipped for every occasion, for both private and public social functions. It features a bar and can be combined with A stage for larger events.



A backstage

A backstage with a private entrance.

Details from the 70's.



Choose between different furniture arrangements.

"Green-room" for artists/speakers in between sessions. Connected to A stage.

Use A backstage for various occasions such as parties, outlets, concerts and talks.

A COUSTIC

A coustic is a cool, concrete bunker where everything is possible.
Take advantage of the spectacular acoustics and brutal environment.

A coustic - the so called ”bunker” gives you a squared and edgy yet simplistic venue.

Brutal spot for photoshoots.

It ain’t called A coustic for nothing.
